

Oak Class – Term 2

English

This term we will be focussing on the story of Around the World in 80 days. We will be learning through a 'Writer's workshop' approach, which allows children to learn and work on their own writing based on topics which they are interested in. The children are taught key skills and develop these through their choice of topic and writing style. We will also be reading a wide range of texts to learn from different authors, text types and writing styles.

P.E.

Oak class will have P.E. on Thursday afternoon. On Thursday the children are allowed to come in to school wearing their P.E. kits for the day, to reduce changing time. Please can children bring in a pair of trainers/ an old pair of shoes every day for them to wear at break and lunch times on the field.

Who's who!

My name is Miss Clark and I am the teacher of Oak class. We have the support of 2 TAs everyday: Mon – Thur: Mrs Maidstone and Mrs Moss; Fri: Mrs Maidstone and Mrs Hickman. Every Thursday afternoon I take my PPA time and Oak class will be led by Mrs Ross.

Mobile phones and walking home

If children are to walk home alone or need to bring a mobile phone to school, please complete the permission form. Mobile phones brought into school without permission will be confiscated and an adult will need to come to school to collect it.

Around the World in 80 days!

Learning about the world

This term we will be learning all about the world! We will learn about different countries, their culture and their history. We will be learning through a project-based approach. The aim of this is to allow the children to explore the topic through their own interests. The children will access all areas of the Year 6 curriculum through their own independent choices, which will then be supported individually by the adults in the room.

Maths

In Maths this term we will be learning about Fractions and Geometry. This will be taught through the scheme of White Rose, using the maths mastery approach.
