

Make a Paper Fan

The White Rabbit is always in a hurry, so he needs a fan to keep cool. Recreate the White Rabbit's fan with colourful paper and lolly sticks.

Decorate your fan with a Wonderland-inspired design of your choice.

Geometric Art

We are learning lots about shape in art this term. Have a go at creating some geometric art.

Use a ruler to draw shapes in different patterns, or to make a picture out of shapes.

Make a Sundial

The Mad Hatter is always thinking about time. Have a go at making a sundial to tell the time. All it takes is a stick, a sunny day and some patience!

Build a House of Cards

Can you build a tower out of pack of cards? You only need a pack of cards and a steady hand. How tall can you build it? Make sure you are using a flat surface to build on.

Alice in Wonderland Homework Term 4

Reading

Children should be reading at home five times per week. This can be a book from the school reading scheme or a book from home.

Please make sure that this is written in the reading diary. It is important that we know how often and which books the children are reading at home.

Maths Games

Have a go at some of these online maths games to practise your skills.

Spellings

How many creative ways can you write our topic words? Can you use different colours? Bubble writing? How about writing them like a set of stairs? Why not write the word and a draw a picture to match it?
