ANTI-BULLYING POLICY

Our vision, *“So in everything, do to others what you would have them do to you”* motivates us to use our values in all aspects of our life. This policy has been written, reviewed, and applied with our values of courage, perseverance, and respect at its heart

The policy has been written after advice from the OCC Anti-bullying lead and the Anti-Bullying Alliance. In addition the children, parents, staff and governors of St. Michael's School have been consulted with the contents and wording of this policy.

1. Definition

Following a consultation and for the purpose of this policy, Bullying is defined as

“Bullying is an ongoing and deliberate misuse of power in relationships through repeated verbal, physical and/or social behaviour that intends to cause physical, social and/or psychological harm. It can involve an individual or a group misusing their power, or perceived power, over one or more persons who feel unable to stop it from happening.”

2. Rationale

At St. Michael's C.E. Primary School we firmly believe that every child has the right to feel safe, secure and happy in school and in all school activities. We recognise the seriousness of all forms of bullying and the deeply damaging impact it can have on those involved. We recognise the value of talking about bullying and of equipping children with strategies for dealing with bullying should they encounter it.

3. Aims

Through increasing awareness of bullying, we aim to:

- provide a safe environment for our children, where they feel secure, confident and happy
- reduce the incidence of bullying in school
- improve the children's ability to recognise forms of bullying
- equip children with strategies to deal with bullying

4. A whole school approach to tackling bullying

Our school community:

- Discusses, monitors and reviews our anti-bullying policy on a regular basis
- Supports staff to promote positive relationships and identify and tackle bullying appropriately
- Ensures that children are aware that all bullying concerns will be dealt with sensitively and effectively; that children feel safe to learn; and that children abide by the anti-bullying policy
- Reports back to parents/carers regarding their concerns on bullying and deals promptly with complaints. Parents/ carers in turn work with the school to uphold the anti-bullying policy
- Seeks to learn from good anti-bullying practice elsewhere and utilises support from the Local Authority and other relevant organisations when appropriate

Cultivating Respect, Persevering, and Learning with Courage

The approach to tackling bullying is both preventative and reactive. Our whole school vision both within and outside of classrooms is one based on respect and consideration for all, listening to our own and others' feelings, and a strong behavioural code developed and continually reviewed by our whole school community.

5. Behaviours

Bullying behaviour is:

- Deliberately hurtful
- Ongoing (it is not the same as random unprovoked aggressive acts)
- Unequal and difficult to counteract by the person being bullied (it involves a power imbalance – this can result from size, number, status or as a result of having access to limited resources)
- Can be indirect or direct
 - physical (e.g. hitting or kicking)
 - verbal (e.g. abuse or name-calling)
 - non-verbal (e.g. gestures and looks)
 - psychological (e.g. excluding or threats)

Bullying behaviour includes: name calling, taunting, mocking, making offensive comments, kicking, hitting, taking belongings; inappropriate text messaging and emailing; sending offensive or degrading images by phone or via the internet; producing offensive graffiti; gossiping; excluding people from groups and spreading hurtful and untruthful rumours.

We recognise the specific guises and problems associated with cyber-bullying and teach our children how to stay safe. We provide information for parents on the nature and risks of cyber-bullying and on how to help protect and inform their children.
