

Cultivating Respect, Persevering, and Learning with Courage

Key Stage 2 Teacher – Full-time

At St Michael's we are proud of our strong ethos, clear vision and well-founded values which underpin all that we do. We are looking to recruit an enthusiastic experienced Key Stage 2 teacher to join our team from September 2024!

We are looking for someone who

- Is passionate about delivering the curriculum with a creative flare
- Is a reflective practitioner
- Can work well both individually and as an effective team player
- Can motivate and nurture children to reach their potential

We can offer you:

- A warm and welcoming school
- Enthusiastic, **courageous** and **respectful** children who **persevere** and have a love of learning
- Experienced staff that support each other, a happy positive working environment
- Close links with supportive Governors and wider community
- Excellent opportunities for personal development within school but also across the well-established Abingdon Partnership
- Leadership opportunities for the right candidate

Visits to the school are warmly welcomed so that you can experience our amazing school first-hand. Please contact the school office to make an appointment.

We are committed to safeguarding and promoting the welfare of children and young people and as such, this post is subject to a successful enhanced disclosure check.

Additional Application Instructions

A job description and person specification can be found on our school website and to apply please email an Oxfordshire teaching application form to the school office.

Closing date: Midday Wednesday 24th April 2024

Interviews: Wednesday 1st May 2024

To start: September 2024
