St Michaels C.E Primary School – Co-Opted Governor

Vacancy March 2021

What is a School Governor?

A governor is a volunteer who gives their time to oversee the long term development of the school. The three main areas a governor is involved in are:

- 1. Ensuring clarity of vision, ethos and strategic direction;**
- 2. Holding the Headteacher to account for the educational performance of the school and its pupils, and the performance management of staff; and**
- 3. Overseeing the financial performance of the school and making sure its money is well spent.**

Being a governor is an incredibly valuable experience, it is a unique opportunity to give something back to the community and further develop your own skills and experiences which could also benefit your own professional development and career progression..

All Governors are expected to:

- Support the aims of your school
- Visit and get to know your school
- Work in partnership with the Headteacher, senior leadership team and other governors to raise standards and improve outcomes for all children
- Prepare for meetings by reading papers beforehand
- Take responsibility for your own learning and development as a governor including attending training
- Attend full governing body and relevant committee meetings promptly, regularly, and for the full time
- Read briefings and newsletters for governors
- Be loyal to the decisions made by the governing body
- Respect the confidentiality of governing body affairs and to sign a legally binding confidentiality agreement.

How much time will it take?

The average time commitment is 10-15 hours per term (6 terms per year). This includes 9 full governing board meetings (all governors attend) and governor monitoring. The time commitment above includes time needed for background reading to prepare for meetings, school-monitoring visits etc.

School governors are like magistrates or members of a jury and therefore have a right to reasonable time off work for their public duties (this may be unpaid). Check with your Human Resources Department for your company's policy on this.

How Long Does A Governor Role Last?

School governors have a minimum term of office of four years. However, as a volunteer you can resign at any time if your circumstances change.

Will I be offered any Training and Support?

All new governors will undergo a full induction process which will be overseen by a designated Governor Mentor (as per our Governor Induction Policy) This will include the completion of a skills Audit and the development of a tailored training plan for the individual governor and the role(s) they are taking.

What is the Legal Responsibility of a Governor?

Maintained school governing bodies are corporate bodies that are legally responsible for the conduct of the school. Because of this, individual governors are generally protected from personal liability because of the governing body's decisions and actions. Provided they act honestly, reasonably and in good faith, any liability will fall on the governing body even if it exceeds its powers, rather than on individual members. All Governors will be covered by a liability Insurance.
