Coronavirus Catch-up Premium**

<b>Proposed Expenditure and Report on Impact – Academic Year 2020-21</b>				
<b>To benefit all pupils in need of catch-up due to COVID19 - Total Grant £11,567.00</b>				
<b>Intervention/expenditure</b>	<b>Desired Impact</b>	<b>How it will be assessed</b>	<b>Actual Impact</b>	<b>Cost</b>
Whole School Assessment tools to enable accurate baseline assessment	Understand better what the impact of COVID19 lockdown has had on pupil learning. To gain a better knowledge of the gaps in learning enabling teachers to address accurately the missing learning and maximise progress.	This will be assessed by running an analysis on progress between benchmark in September and end of year assessment in June 2021.		£900.00
Additional TA hours	This will enable teachers to hold small, fine focus teaching groups to address learning lost during COVID19. This should ensure that pupils make greater progress towards catching up.	As above. Also individual book monitoring should accurately show progress made over time.		£13,680.00
Total Less Grant	(School contribution)			£14,580.00 £3,013.00
